

OUR PARTNERS:

Dear Student,

The TRUISTCenter for Ethical Business Leadership within the Miker@btCollegeof Businessat the University of North Georgia(UNG) has a mission to facilitate critical inking and promote ethical decision making to our future business leadershat is YOU!

The TRUISTCenter for Ethical Business Leadership and our partners have created a Business Ethics: Experience program through simulation. Learning about values and ethics and having to act upon them are two very different things. We believe providing you with immersion into business environments if ereal situational scenarios and quiring you to provide your decisions a live panel of business community leaders will provide you an increased learning of how yethics are applied in business; "voice yourvalues."

BEE-2 Program Objectives

- *f* Business environment immersion
- f Critical thinking in ethical decision making in business through sitional scenarios
- f Ethical defense through depending decisions to a live business community panel

This program is recognized by the Georgia Department of Labor and satisfies requirements for the Georgia Business Ethics Student Training (GABEST) certification or working towards achieving that outstanding certification highling your dedication!

We look forward to being with you today and hope you enjoy the BpEogram.

Sincerely,

Rose Procter
